# GOOD OLD EUROPE

Active Ageing, Labour Relations  
and Demographic Change

# KAB Baden-Württemberg

The Catholic Workers Movement (KAB) is a social organisation in which nationwide are organised around 200,000 women and men in Germany.

People are at the heart of the work of KAB. The KAB supports people to **develop their own intentions and ideas**, to **raise consciously awareness of challenges of our time** and to **involve themselves actively**.

On this purpose the KAB has developed multiple offers and opportunities, specially designed for families, women and seniors.
